

EASTBOURNE TRIP-BLOG DAY 3

On Sunday the 8th of March Anita, our host mum, her son, their dog Oscar and I (Benita) went for a walk at the beach. Anita and I threw the dog toy for Oscar and had a lot of fun! I also made quite a few pictures and videos of the beach because it was my first time being at a beach! At around 12:20 a.m. we drove to The Pier because our host family had a family meeting somewhere. There Anita and I met our 2 teachers and some of our classmates, who didn't plan to do anything with their host families. We ate our packed lunch at the beach and went into a café to buy some snacks. We even went to an arcade and I won so many 2-pence-coins. Afterwards we had a scavenger hunt! This is how it worked: Everyone got into groups of four and had a team leader with the phone. The teachers sent pictures of different locations/objects and the task of the team was to find those locations/objects and make a selfie there/with it. The first team to find all locations/objects gets free ice cream! But for some reason no one got ice cream. After the scavenger hunt we all went to The Beacon. At around 4:50 p.m. we all entered a bus and drove home.
