

## Day 3:

Today it's Sunday, Marawan and I were on the beach with our HOST family, Annika and Lorena.

Our HOST family drove with their scooter and their dog Betsy ran in front of them.

Annika, Lorena, Marawan and I were walking about 20 meters in front of them.

The day was great but it was very windy and cloudy. We were on the beach for about 1 hour.

Later the sun came up and we were happy but it was still windy. The sea was very dirty and cold so we couldn't swim there. That was the only bad thing about this Sunday. After this walk we said goodbye to Annika and Lorena and we drove home by car. When we arrived, it was already 5 p.m. and the first thing we did was lay down in the bed, because we were tired. Later we had dinner and after dinner we had a bath. Finally we called our parents and after we had finished our calls we went to bed. This was our exciting Sunday with our Host family, Lorena and Annika.
