

Our day with the hosts:

In the morning we stood up at about 8:30.

After that we spent some time in the garden with the two kids from our host. We jumped on the trampoline and slid down the slide. When we went in we did some puzzles and helped Kerry cooking and preparing lunch. For lunch we made the Austrian dish "Kaiserschmarrn". After lunch we decided to go to the beach with Marawan, David and their hosts. The beach was very beautiful and we walked down the coast line. We made a rest at a bench and ate our sandwiches. After that we went home and had a great evening with our host and their kids. At about 21:30 we went to our bedroom and watched a film on Netflix.
