

Today, Sunday 8th of March our (David and I) host family wanted to go and walk along the beach, so we packed our stuff and left the house at 2:15 p.m. and drove to the beach, the beach we went to was called Hollywell beach it is in the south of Eastbourne.

When we arrived there, we met Lorena and Annika, we walked for about 20 minutes along the beach. The family were riding scooters and were playing with the dog while we were walking in front of them and then we waited for them to come to us so we can walk back. While we were walking back we watched some other people's dogs playing with our dog.

Then we went back to the car and drove back home, we arrived at 5 .pm. home
