

Day 3

On Sunday morning both of us were extremely tired. Luckily, we had a relaxing and easy-going day. Our teachers gave us the option to explore Eastbourne with them because some of the host families had to work or hadn't planned anything but we decided not to go. So, on our lazy Sunday we toured Eastbourne and drove through the park. We took the host's dog with us. Even though it was a short drive you could see how beautiful the grass was. We made a quick pit stop at a grocery so we could buy dinner and gifts for friends. Shortly after we went to the pier, which both of us were excited about. The pier was filled with so many little shops and people. We took a short walk around the pier and took a couple of pictures. At the end of the day we all had a nice sit-down dinner and discussed our day.
