

Blog from the 8<sup>th</sup> March 2020:

Hello,

Today (Sunday) our hosts showed us the way to Ratton School. After that, some people of our class did something with their host families, but some also went to town with Mr Prantner and Mrs Kerschdorfer. I went to town with some of our class and our leaders, so Mrs Kerschdorfer and Mr Prantner. We met in front of the Ratton School and went together to the Eastbourne Pier, where we made a Photo-Rally, that means that one of the teachers (Mr Prantner) sent us pictures from a place and we had to find the place, with a photo from ourselves. The winner, so the boys (Jose' and Oscar) got icecream. We all had so much fun! After that we went to the Beagle Mall, there we shopped some things, or went to Starbucks. At 4 p.m. some of the host families picked the children up and some went home with the bus. We, me and Hannah, were picked up by our hosts. When we got home, we had lunch and got to April's (so the daughter from our host) cheerleading show. That was sooo exciting and cool! She did very well.

That was our Sunday!
